### **2<sup>nd</sup> Annual Exhibitor Fair at CGTI March 10, 2016**

The 42<sup>nd</sup> Annual Cebrin Goodman Teen Institute will be held on July 17-21, 2016 on the campus of Eastern Illinois University in Charleston. We are excited to have over 400 youth back on campus with 100 adult volunteers and mentors as well. This is a great way for you to reach youth from all over the state in one location to share information, resources, and ideas, as well as partner with our Community Action Teams (CATs) to implement campaigns relevant to your strategic plans! It really is a win-win!

We will have two high traffic times for youth, mentors, and volunteers to talk with exhibitors and gain knowledge and information on various topics that will impact youth to make a difference in their school and community.

If you are interested, please fill out the Exhibitor Agreement Form 2016. If you have any questions contact [mfauser@iadda.org](mailto:mfauser@iadda.org).
